***St. Cloud Federal Credit Union Announces City of Sartell Community Field Sponsorship  
Pinecone Central Park Association and St. Cloud Federal Credit Announce Partnership***

**St. Cloud, Minnesota:** St. Cloud Federal Credit is proud to announce a new community sponsorship with the City of Sartell to sponsor the Pinecone Central Park Field. As a predominant field sponsor, the credit union becomes an important partner for the Pinecone Central Park Association to fulfill its vision.

"We could not be more excited," said Pinecone Central Park Association Board President Mike Spanier. "St. Cloud Federal Credit Union's field sponsorship ensures the already promising future for the Park as we enter into our busiest summer yet - with soccer, lacrosse, and baseball fields all in full use, and a great series of music and movie events planned for the summer months. The strong support of all of our Park sponsors is what allows us to serve the entire community."

In 2010 a group of volunteers formed the Pinecone Central Park Association to create a community recreational area for Sartell. The purpose was to build a variety of recreational uses ranging from the sporting leagues to walking trails to the recent addition of the dog park. The sense of community created by such an investment is what attracted St. Cloud Federal Credit Union to the project.

"This is an exciting sponsorship for us to show our support for the Sartell community. We are proud to do business in a city that aligns with our beliefs – that our future is stronger when we partner together as a community," stated Jed A. Meyer, President and CEO of St. Cloud Federal Credit Union. This sponsorship is the last youth baseball field to be sponsored and will aid the Association in their biggest operational year since the fields were open. "We believe in the power of community and will be excited to watch the evolution of Pinecone Park Central Park in the coming years!" stated Meyer.
